AUSTRALIAN DISABILITY ENTERPRISES (ADE)

- ADEs are not-for-profit organisations with charitable status that play an important role in providing supported employment opportunities for people living with disability across Australia
- supported employment is available for people who may not have the functional capacity to obtain work in open employment due to their disability
- ADEs provide a wide range of employment opportunities including packaging, assembly, production, recycling, screen-printing, plant nursery, garden maintenance and landscaping, cleaning services, laundry services and food services
- support can be provided at a higher ratio as required
- wages for the majority of supported employees are calculated using wage assessment tools under the Supported Employment Services Award 2020
- to access supported employment, you will require an approved NDIS plan with 'Supported Employment' funding
